LAW ENFORCEMENT WILL NOT STOP RESIDENTS

Law enforcement officials will not stop residents who are on their way to or from work or who are out for necessities like going to the pharmacy or getting groceries, or just taking a walk. People gathering in any size group may be asked to physically distance themselves or go home. Ohioans should abstain from all nonessential activities. Adhering to the order will save lives and it is the responsibility of every Ohioan to do their part. We are in this together.
