## **Public Health Nurse**

The Holmes County General Health District is actively seeking a qualified candidate for the full or part-time position of Public Health Nurse. Under the general supervision of the Director of Clinical Services, the PHN will deliver hands on patient care and work collaboratively with other health department staff to deliver care and provide health education to the community. This position is responsible for appropriate documentation of patient records.

### **ESSENTIAL DUTIES MAY INCLUDE:**

***Case Management for BCMH***

***Administer adult and childhood vaccines***

***Communicable Disease investigations***

***Health Screenings and Education***

***Manage vaccine supply***

***Write and manage community health related grants***

### **QUALIFIED CANDIDATES MUST POSSESS:**

Must have an Associate's or Bachelor's degree in nursing and hold licensure in the State of Ohio as a registered nurse. Must have at least one (1) year of work experience as a nurse. Public Health nursing experience is preferred. Bilingual candidates are a plus.

### **BENEFITS:**

The HCGHD offers a family friendly, flexible work environment with a competitive benefits package. Employees are awarded 12 paid holidays, vacation time, personal time, and sick time. Additionally, we offer health insurance, dental insurance, vision insurance, life insurance, tuition reimbursement, and an employee assistance program. Retirement plan is provided through OPERS.

The HCGHD is an equal opportunity employer and provider of services.

**Position is open until filled**
